Port E-Advisory No. 15

Governor Lou Leon Guerrero signed Executive Order 2020-28 ordering Guam residents to stop the spread of COVID-19 by staying home. This is to take effect 12:00 p.m. on Friday, August 21, 2020, and to continue for an initial period through 12:00 p.m. on August 28, 2020.

The Port Authority of Guam remains fully operational; however, for the Stay-At-Home Order period, Division Heads are advised to stagger respective personnel staff without hampering our day-to-day operation, where practical. Employees who are not physically at work will continue to receive regular pay, but will not be eligible for Covid-19 Response Differential Pay. However, employees at home will still be required to telework whenever possible, and may be recalled to report to work within two (2) hours of receiving notice from your supervisor.

Given the significant rise in Covid-19 positives, the Stay-At-Home Order is to help preserve the health and safety of our community.

You are encouraged to please stay home - Unless you are purchasing food and household necessities, going to and from work at critical businesses, seeking medical care, caring for dependents or pets, or caring for a vulnerable person in another location.

Thank You & Stay Safe Everyone!

Rory J. Respicio, General Manager
