INVITATION FOR BID No.: IFB/PAG-015-23
TAYLOR TOP LIFTER EQUIPMENT PARTS BID (IDIQ)

ADDENDUM 1 - QUESTIONS, CONCERNS, AND RESPONSES

Please see below the questions submitted by Prospective Bidder (s):

TRIPLE J EXPRESS TIRE & LUBE.

Question: Is it necessary for the tire to be this particular brand and model? It is not a US Brand and will not be labelled made in the US

PAG Response: *The Tire must meet the US Specs (DOT) or better.*

Question: Would there be a possibility to remove the specifics for the particular tire and not limit the brand and model? There is a possibility of quoting a US Brand tire.

PAG Response: *As long as these specifications dimensions are met. Must be equal to or better as listed on the IFB.*

Question: There are no 42-ply rated tires constructed in this particular size. Please review the equipment manual and verify if indeed the requirement is a 42-ply rated tire. The highest constructed tire is 40ply rated on a bias construction and 3 star rated in a radial construction which is equivalent to a 40ply rate bias tire.

PAG Response: *40 ply would suffice.*
