**Subject: Recognition of CGFM Employee in Your Agency as we
Celebrate 25 Years**

Hafa Adai Ms. Shinohara,

The Association of Government Accountants (AGA) is a professional organization supporting 15,000 professionals working in federal, state, and local governments as well as the private, nonprofit, and academic sectors. Its mission is to advance accountability, transparency, and leadership by promoting education, certification, innovation and collaboration across all levels of government and to stakeholders.

In 1994, the AGA fulfilled a tacit obligation to the community it serves by creating a widely-respected credential that demonstrates the vast knowledge and skills government financial managers need at every level of government—the Certified Government Financial Manager (CGFM) designation. 25 years later over 18,000 professionals earned their CGFM designation. CGFM is a professional certification demonstrating competency in governmental accounting, auditing, financial reporting, internal controls, and budgeting at the federal, state, and local levels. CGFM is a respected credential that recognizes the specialized knowledge and experience needed to be an effective government financial manager.

The AGA Guam Chapter has more than 200 members. We are very proud to inform you that a member of your organization is a CGFM— Mr. Jose B. Guevara, III, CGFM (Financial Affairs Controller).

We humbly ask for your support to help us celebrate CGFM's 25th Anniversary. We ask that you recognize him within your agency by either sending him a short email of acknowledgment or by recognizing him in your agency's newsletter, website, or Facebook.

Again, we thank you for your continuous support in advancing government accountability.

Dankulo Na Si Yu'os Ma'ãse'.

Sincerely,

Frances Danieli, MBA, CB, CGFM
