NEWS RELEASE

More cargo processed and released over the weekend

Piti, Guam, June 19, 2023: The Port Authority of Guam extended gate house operations into the weekend to continue to push commodities out into the community.

Gate house remained open over the weekend which allowed the delivery of an additional 80 containers with both dry goods and refrigerated goods to consignees.

FEMA Satellite Site

FEMA's Registration Intake Center has assisted 133 Cabras Island tenants and employees with registration, filing a claim, providing updates on the status of an application, and general inquiries.

"This is FEMA's satellite disaster recovery center so that Port employees, tenants, industry partners, and all businesses within Cabras Island can file FEMA claims at this location," said Port General Manager Rory J. Respicio. "We are so thankful that they have boots on the ground to assist our employees and industry partners who have been working non-stop since the typhoon hit our island."
