NEWS RELEASE

Port cargo update

Piti, Guam, June 11, 2023:

"We have extended normal gate house operations for this Sunday June 11, 2023 from 8 a.m. - 5 p.m. in an effort to expedite the flow of commodities into our island community," said Port General Manager Rory J. Respicio. "We went from 324 containers in the yard yesterday to 301 containers, with cargo still being issued throughout the day."

Vessel Arrivals

The Port Authority of Guam has caught up with regular vessel arrivals just two weeks after Typhoon Mawar hit Guam. "This was a result of a tremendous amount of support received from Governor Lou Leon Guerrero, Lt. Governor Josh Tenorio, our Board, our federal and local partners, and industry partners," Respicio said.

The Matson's Matsonia is scheduled to dock on Tuesday, June 13, 2023 with 35 reefers, 446 containers of dry goods and 252 vehicles to be discharged from the vessel.

APL's CC Herodote is scheduled to arrive Wednesday, June 14, 2023 and is slated to discharge 30 reefers and 418 containers with dry goods.
