INVITATION FOR BID IFB-PAG-009-24
 Re-bid for 11,000 lbs. Fork Lift Truck's
 Questions and Responses

Questions submitted by Landscape Management Systems via e-mail on April 4, 2024

- Question #1: Is container-fitting a mandatory condition that cannot be compromised?
 PAG's Response: Yes.
- Question #2: What is the maximum load height the forklifts will need to handle?
 PAG's Response: 7 feet 6 inches Max Lowered Mast Height
- Question #3: Please clarify "hydraulic controlled side shift of 24" left or right, individual fork and dual." Does this refer to a side shift and dual fork positioner?
 PAG's Response: Individual fork should shift 24" left or right. Dual forks should shift from full left to right or vice versa.
- Question #4: Are the specific deadlines for production and delivery, considering potential unforeseen factory delays?
 PAG's Response: This project is fully funded under a Federal Grant. The delivery date was approved by MARAD. Any other delivery request would have to be reviewed and approved by MARAD. Refer to page 3 of 65 of this IFB.
- Question #5: Do operators have mandatory or optional preferences for additional safety features not listed in the bid package? Examples include pedestrian awareness lights, return to set tilt, solid pneumatic tires, and wireless usage monitoring and diagnostics. Please specifying preferences.
 PAG's Response: Maintenance will not need the wireless usage monitoring and diagnostics.

 Rory J. Respicio
 General Manager
